Associazione italiana
per l'Agricoltura Biologica

In Organic farming since 1991

Ciao Organics belongs to the group of Agricola Grains, which has operated the agricultural business near Venice, Italy since 1965 and organic agriculture since 1991.

More than 1,150 trusted organic certified farmers deliver their organic products to Agricola Grains, which cleans, dries, and toasts the crops; carries out the analysis; and sends them to organic mills for processing and to animal feed companies.

Ciao Organics has become a leader in Europe and the Middle East in the distribution of organic products.

After repeated requests from the American customers Ciao Organics decided to start distributing a selected line of organic food products in the US and Canada.
